# About US...

Super Compact is a leading manufacturer of premium hygiene and paramedical disposables in Lebanon.

With a continuous drive for manufacturing excellence, Super Compact has progressively distinguished itself as a key player in the B2B sector. The brand, synonymous with quality assurance, supplies small, medium and large institutions with a wide variety of away-from-home products, including facial and toilet tissue, paper napkins and towels, trash bags, cling film, aluminum foil, paper cups, paper sheets, dispensers, detergents, cotton buds and clinic sheets.

Our products and innovative solutions are a combination of trusted performance and optimal respect for consumer's wellbeing. We help our clientele create memorable and differentiated experiences for their target segments and achieve client satisfaction.

## Our Products

Super Compact and Personal Hygiene brands manufacture and distribute high quality cost-effective product solutions to a wide range of commercial and public entities, warehouse clubs, food-service, catering businesses and janitorial-supply companies. The quality paper-based solutions and product categories include facial tissue, napkins, wipers, multifold, single fold and C-fold paper towels, along with dispensers.

We constantly seek to extend our client base by expanding our portfolio of Professional and Paramedical Care Lines and adapting to emerging market demands.
